Dear Mr. Vaughan:

On behalf of the Department of the Navy and the crew of USS RONALD REAGAN (CVN 76), I would like to extend my sincere gratitude for the gift provided by Secret Agent Entertainment Group. The compact discs have been enthusiastically received by our crew. They will figure prominently in our library so that every Sailor on board RONALD REAGAN will have an opportunity to listen to them. This donation has tangibly raised our spirits and has reminded the crew how much our fellow citizens appreciate their service.

Again, many thanks for your support of our Sailors and the United States Navy. Your patriotism and generosity are greatly appreciated.

Sincerely,

  
KENNETH J. NORTON  
Captain, U.S. Navy
